FOXAN

Liquid detergent for hand dishwashing

UFI: PKJV-H1F8-X00K-AWG3 (LEMON)

UFI: UMKV-K1R1-M00J-80FV (VINEGAR)

UFI: 2PKV-31EE-X001-XC1X (RASPBERRY)

Description

FOXAN is a viscous liquid detergent with a high concentration of active ingredients. Its formula makes it particularly effective in tackling grease and dried-on food residues. Additionally, it works excellently in all water hardness levels and rinses off easily, leaving utensils and surfaces shiny.

Key Properties/Features

- Neutral cleaner
- Economical in use
- Effective even in hard water
- Fresh fragrance (lemon, raspberry, vinegar)

Advantages

- Completely removes all types of stubborn dirt found on cookware, dishes, glasses, etc.
Effective in all water hardness levels
- Pleasant fresh fragrance (lemon, raspberry, vinegar)

Usage Instructions

Dosage-Application: A few drops (0.5-1.5 ml) on a wet sponge produce rich foam and provide sparkling cleanliness without grease or odors.

Technical Information

- **Appearance:** Viscous liquid, available in green, orange, or red color, with the scent of lemon, vinegar, or raspberry.
- **Relative Density [20°C]:** 1.03 g/cm³
- **pH Value (undiluted product):** 7.0±0.5

Precautionary and Storage Instructions

FIRST AID

General Instructions:

Move affected individuals to fresh air immediately. Consult a doctor without delay.

- **After inhalation:**
In case of fainting, lay the person down and turn them to a stable lateral position. Ensure fresh air and consult a doctor for safety. If symptoms persist, seek medical advice.
- **After skin contact:**
Rinse immediately and thoroughly with water and soap. If irritation continues, visit a doctor.
- **After eye contact:**
Rinse eyes immediately with plenty of water, lifting upper and lower eyelids alternately. Check for and remove contact lenses if present. Continue rinsing for at least 10 minutes. Seek medical attention if irritation occurs. Be cautious during eye washing; high-pressure water jetting may risk corneal damage. Consult a doctor.
- **After ingestion:**
Drink plenty of water and stay in fresh air. Consult a doctor immediately and show the label or packaging. Never give anything orally to an unconscious person.

HANDLING AND STORAGE INFORMATION

- **Handling:**
Handle with care when opening containers.
- **Storage:**
 - **Technical measures and storage conditions:**
Store in tightly sealed containers in a cool, dry place with good ventilation. Keep in a shaded area.
 - **Requirements for storage areas and containers:**
Ensure container ventilation.
 - **Additional storage instructions:**
Keep in a tightly sealed container. Store locked or in a place accessible only to specialists or authorized personnel.
